

Elementary Create Step – English Transcript

Good researchers think about the information they have found.

I need to connect the quality information that I have gathered before I create my project. Then, I need to take a second look so my work is the best it can be.

To learn more about the *Create* step of research, check out the links in the *Learn to* box. Each *Learn to* link has its own *Resources* box with eBooks, tutorials, and more.
