

Elementary Present Step – English Transcript

Good researchers share their learning with others.

I need to prepare to share.

Afterwards, I reflect by thinking about the whole experience: planning, finding, creating, and presenting.

To learn more about the *Present* step of research, check out the links in the *Learn to* box. Each *Learn to* link has its own *Resources* box with eBooks, tutorials, and more.

OSLIS.

Learn to Research.

Research to Learn.
