| ·   |   |  |  |  |
|   | Scope refers to how broad or narrow a topic is.   |  |  |  |
|   | Scope could affect how much information will be available on a topic.   |  |  |  |
|   | It is best to pick a very narrow topic so as not to get overwhelmed by information.   |  |  |  |
|   | One advantage of somewhat broad topics is that more information is available.   |  |  |  |
